## Account management

ESPN profile option: .user .global-user a[tref="/members/v3\_1/modifyAccount"]

The screenshot shows the ESPN website interface. At the top, there's a navigation bar with the ESPN logo and various sports categories (NFL, NCAA, NHL, NBA, MLB, Soccer). Below this, a row of live scores for various games is displayed. The main content area features a large article titled "MEET USMNT'S WORLD CUP SQUAD!" with images of players. On the right side, a user profile menu is open, showing options like "Welcome lucoal", "Manage my:", "ESPN+ Subscriptions", "Edition: US", "ESPN Profile" (highlighted with a red box and an arrow), "Newsletters", "TV Provider", "Video Settings", and "Log Out". A "FAVORITES" section on the far right indicates no teams are currently in favorites.

## Account information

delete button: #cancel-account

The screenshot shows a modal window for account management. It includes sections for "Address Book" (with a "+ add" button), "Email Preferences", and "Delete Account". The "Delete Account" section has a red box around the "Delete Account" button. Below this button, a warning message states: "By deleting your account, you may be unable to access certain Disney services." and "ESPN treats this information with care and respect. For details, review our Privacy Policy." The background shows a blurred view of the ESPN website.

## Confirmation dialog
